WHY US&S

A Single-Source Solution to Every Facility Challenge

US&S is a proven leader in providing facility maintenance and support services to clients throughout the Southeast. Whether it is the one and only project your organization will ever need or if you have more complex long-term facility maintenance requirements, we are here to serve you. We realize that we are in the business of providing a service and the art of service begins with listening and understanding your organization's particular objectives.

We are here to listen and are prepared to initiate, plan, execute and manage your non-core activities so your organization can focus on what it does best.

We focus on your facility, so you can focus on what you do best!

A Reputation To Be Proud Of

Lockheed Martin (Aeronautics) - Greenville Operations provides nose-to-tail aircraft modification, maintenance, repair and overhaul, and state-of-the-art upgrades for products built by Lockheed Martin and other manufacturers. It is the “port” of modification capabilities and provides a unique advantage with original equipment manufacturer (OEM) experience in major modifications with on-site engineering support and reach-back capability. US&S was responsible for general grounds maintenance including mowing, edging, weed control, blowing sidewalks and parking lots, debris removal and pest/weed/debris control (2006-2012).

“Congratulations on your company’s selection as one of the 2011 Outstanding Small Businesses for Lockheed Martin Missile and Fire Control! This recognition is a tribute to your commitment to customer service, quality and on-time delivery performance. Your company will be honored at our annual Small Business Awards on April 24, 2012. This event is co-hosted by Lockheed Martin Missiles and Fire Control and Lockheed Martin Global Training and Logistics.”
